

13.1 Answer the following questions about the first declension.

- 1) When you encounter a new vocabulary word, how will you know whether it is declined like **βουλή** or **θεά** or **θάλασσα**?

- 2) Compare the paradigm of **θεά** in the **singular** with the paradigm for **βουλή** in the **singular**. How would you describe the differences (if there are any)?

- 3) Compare the paradigm of **θεά** in the **plural** with the paradigm for **βουλή** in the **plural**. How would you describe the differences in case endings (if there are any)?

- 4) Compare the paradigm of **θάλασσα** in the **singular** with the paradigm for **βουλή** in the **singular**. How would you describe the differences in case endings (if there are any)?

- 5) Compare the paradigm of **θεά** in the **plural** with the paradigm for **θάλασσα** in the **plural**. How would you describe the differences in case endings (if there are any)?

- 6) Compare the paradigm of **θεά** in the **singular** with the paradigm for **θάλασσα** in the **singular**. How would you describe the differences in case endings (if there are any)?
